

# The You-Song

by Joanne Otto

## ABOUT THE BOOK

Vibrant with beautiful color photos of an ethnically varied selection of boys and girls experiencing life in their own special ways, **The You-Song** encourages young children to view themselves as unique and vital parts of a wonderful whole. For the benefit of beginning readers, the author has confined herself to words that are either very familiar (among the first 300 on the Frye List) or easy to decode. Parents and teachers will find in this book a useful way to help young children discover their individual potential for good.
